Please let us know if your child is leaving to start pre-school so that we can keep track of the number of children on our register.

We don't want to re-instate a waiting list, and we realise you can't all come every time for various reasons, but please do come when you can. You are always welcome.

A changing mat and wet wipes are available in the lounge.

We ask that all children remain seated at the tables with their snacks and drinks.
