A changing mat and wet wipes are available in the lounge.

We ask that all children remain seated at the tables with their snacks and drinks.

Please let us know if your child is leaving to start pre-school so that we can keep track of the number of children on our register.

We don't want to re-instate a waiting list, and we realise you can't all come every time for various reasons, but please do come when you can. You are always welcome.
